MUNSTER STAR AWARDS

Saturday 30th January 2016
Listowel Arms Hotel | Listowel | Co Kerry

Hosted by Kerry Athletics
On behalf of Munster Council AAI, it gives me great pleasure to welcome each and every one of you here tonight to The Listowel Arms Hotel for our Annual Star Awards Banquet.

Tonight we honour the recipients of 2015 for their achievements over the past year. This year again we have some new athletes receiving their first Munster Award. Congratulations to all our Award Winners.

I would also like to express the gratitude of Munster Council to Kerry County Board for the huge amount of time and effort put into organising tonight’s Banquet.

Thanks to the management and staff of The Listowel Arms Hotel on the excellent facilities provided and for the help and co-operation given by Kerry County Board.

Finally I would like to thank each and every one of you for your support here tonight. I hope ye will all have a very enjoyable evening and a safe journey home afterwards.

Mossie Woulfe
Chairman

In Feb 1970 Jerry won the Kerry Colleges Cross Country championship and one month later while still shy of his 17th birthday he won the Kerry Senior CC title in Killarney.

In the National Inter Clubs CC Jerry finished in the top 10 on 11 occasions and has 10 team golds. These records still stand today.

Jerry was equally at home on the track and won the Irish 1500m title in 1975 in 3 mins 47 secs. He won the 10,000m championship in 1981 in a time of 28 mins 55 secs. In 1976 he became only the 7th Irishman to break the 4 minute mile when he ran 3mins 59.02secs in London.

Shortly after this he set out on his road running career and he soon established himself as the top road racer in the country. His times of 46.15 for 10 miles and 75.14 for 25km have yet to be bettered by an Irish athlete.

In October 1982 Jerry ran his first marathon in Dublin. He was on world record pace for almost 24 miles before suffering severe cramping. He survived to create a new course record of 2.13.45, a time unbeaten for 23 years.

This convinced Jerry to seriously consider the Olympics. In spring 1983 he won the Cork city marathon. The following Sunday he won the Ballycotton 10 mile in a time of 47mins 04 secs which still stands as the second fastest time. Two weeks later in the National Marathon in Cork, which was also the Olympic trial, Jerry was first across the line in 2hrs 14mins.

He then focused entirely on the Olympics. He got six weeks special leave and in his own words “I could not believe how good I was feeling”. He reached LA in the best shape of his life training daily in 90 degree heat with no ill effects.

When the big day arrived Jerry ran a good strong but steady pace behind the leading group which slowly began to pull away in the later stages. To everyone’s astonishment, he caught up with the leaders. However, the cramping returned and he had to let go of the leaders over the last couple of miles finishing in a magnificent 9th place finish in front of many of the world’s best. Jerry was now at the top of international road running and all this was achieved without the benefit of scholarships or full time training.

In a poll of club members this performance is regarded as the best ever by a Clonliffe athlete and is up there with the best ever by an Irish runner.

Jerry continued competing picking up several more national titles including the 1992 Irish marathon. Before retiring from competitive athletics he began coaching young runners and more importantly he continues to do so. His contribution and commitment to his club is beyond question but, in true Clonliffe fashion, when you ask him what his greatest achievement was, and is, his reply will be “the friends I have made and still have”.
